**A'dam Diviso** is a new chamber music society based in Amsterdam, initiated by Örzse Adam, violist and concert programmer, owner of Musix For You.

During her active performing career the Netherlands-based Hungarian viola player Örzse Adam has shared the stage with many fine musicians in many different ensembles. Despite coming from different corners of the world, these internationally renowned musicians all share a common musical background, expression, passion and a singular devotion to chamber music.

A'dam Diviso is a collaboration of both young and established musicians combining forces to perform beautiful and enchanting chamber music jewels. The unique character of the group is defined by the players' experience on both authentic and modern instruments. This provides A'dam Diviso's enthusiastic audiences with not only a versatile, flexible and diverse programming, but also a fascinating variety of instruments.
